Groups up to 40 guests can be accommodated comfortably in our museum.

Arrange your event after 5:00PM on Tuesdays thru Sundays, or any time on Mondays.

Pair your event with a Streetcar Charter!

Want a very special experience? Charter your own historic streetcar for birthday or anniversary celebrations, office parties, or just for the heck of it!

Market Street Railway does not operate the streetcars, though we will arrange streetcar charters as part of a package for those holding special events at our museum.

The San Francisco Municipal Railway (Muni), which owns and operates the historic streetcars, offers them for charter by groups or individuals. They're great for celebrations of all kinds. They also offer charters of the world-famous cable cars.
